Mattapoisett Fire Department Has Big Plans For Fire Education

Look Out Joe Camel, you're about to become extinct! (In Mattapoisett, anyway). Soon students or adults will be able to exchange their Joe "Cool" Camel and other cigarette company paraphernalia such as hats, T-shirts, shorts for a baseball cap with a S.A.F.E. (Student Awareness of Fire Education) logo or a bag of Pogs at the Mattapoisett Fire Department. There's only one catch-they have to pledge to refrain from smoking too. Many cigarette companies offer free merchandise with proofs of purchase to try and lure in new customers. Joe Camel has become increasingly popular with teenagers and even students in elementary schools who continue to sport the logo. The Fire Department was recently awarded a $10,000 grant for an anti-smoking campaign; money taken from cigarette taxes, to teach elementary, intermediate and high school students the skills for recognizing the dangers of fire, specifically, the fire hazards smoking-related materials pose. Over the years, the Fire Department has actively participated in Fire Prevention Week activities and frequently work with local police, and in partnerships with the Women's Auxiliary, the Massachusetts Natural Resource Officer and with our local D.A.R..E. officer. This grant will give the students a chance to learn more about the dangers of smoking. Fire Chief Ronald Scott said students look forward to the department's visits. "The kids love it," he added. One of the games they use to teach fire prevention is the "Flame Game," where 6 students make up two panels. Members of the Fire Department ask questions and the team who answers the most wins. The night before they visit the Junior High School, the Chief said they stay up late, trying to come up with more difficult questions. Even the first graders are sharp, he added. This grant will give the department more of a chance to interact with the students than traditional methods allow.

The Fire Department has a very busy year ahead of it which includes organizing a series of speakers to educate seniors and students and even producing two one-minute anti-smoking public service announcements with elementary school students which will be aired on local television. Physicians who deal with reconstructive surgery of burn victims and EMT's involved in fire related incidents will visit area schools. "We plan to intensify our efforts to make students aware of the devastating results of long-term smoking and the use of smokeless tobacco," the Chief said in a proposal for the grant. Teachers and the local cable company will assist in producing the commercials (one will be in English and the other in Portuguese.) Monthly scheduled attendance at the Council On Aging meetings would also allow firefighter personnel to access the needs of senior citizens.

Other upcoming projects for the campaign include checking smoke detectors, replacing batteries and installing smoke detectors for those who don't already have them-for free. Now with the busy holidays approaching, many people might put off installing smoke detectors or replacing batteries. "The average person has so many other things, they overlook them (fire detectors)," said Chief Scott. Well, there's no excuses now. "We're offering installation and it's free, how can you go wrong?" Chief Scott said.

"You'd be surprised at how many old houses don't have them," said Mattapoisett Fire Chief Ronald Scott. According to a proposal for the grant, written by Chief Scott, (with the help of two teachers from the Old Rochester Regional Junior High School), "Statistics indicate that of the seven fire related deaths in Plymouth County, four of these were in fires in which no smoke detectors were present and two of these four (or 29 percent) were senior citizens." The proposal also stated that although smoke or heat detectors were present and operating in 44 percent of the approximate 874 residential fires, in 21 percent of these fires no

detectors were present at all. Detectors were present, but did not operate in 26 percent of the aforementioned fires, probably due to ineffective batteries. Engine companies will be sent out to install new fire detectors and replace batteries on Saturday, December 9th. Anyone who wishes to have them stop by must call the Mattapoisett Fire Department at 758-4150 by Thursday, December 7 for an appointment. Through the grant, there will also be additional training for firefighters to improve public speaking and presentation techniques.

Chief Scott said he was extremely pleased with the $10,000 grant (a city like Fall River got the same amount.) With this grant, the S.O.S. (Services To Our Students and Seniors) will be able to provide knowledge of the dangers of fire, smoking and the debilitating effects of smoking-induced illnesses in the community, especially to the senior citizens.

Mattapoisett Selectmen's Meeting

November 28, 1995

By Kenneth J. Souza

A regular meeting of the Mattapoisett Board of Selectmen was called to order on Tuesday, November 28 at 7:00 pm by Chairman Paul E. Lambalot. Also present was Selectman John N. DeCosta, Selectman Daniel O. Mahoney and Executive Secretary Carol Adams.

After unanimously approving the minutes of the November 14 and November 21 meetings of the board, the Selectmen signed the warrant, licenses, permits, and correspondence for the week. The board also voted to contact their state legislators and Senators Kerry and Kennedy to offer their opposition to a proposal by Governor William Weld which would affect changes in the motor vehicle excise tax and make car

Chairman Lambalot noted the following meetings scheduled for the upcoming week:

• Thursday, November 30 at 1:30 pm — SBAB Meeting to discuss the proposed addition to Old Hammondtown School (Chairman Lambalot will be attending).

• Friday, December 1 at 8:00 am — Town Hall will be decorated for the holidays.

• Friday, December 1 at 12:00 noon — Drug Seminar (Ms. Adams and various department heads will attend).

Under incoming correspondence, the board received a letter from Dennis Luttrell, Executive Director of the Buzzards Bay Action Committee (BBAC) regarding the formation of a Pollution Task Force in Mattapoisett, much like one which was recently formed in Bourne. Mr. Luttrell requested to meet with the Selectmen to discuss this matter further. The board agreed to meet with Mr. Luttrell during their regular meeting next Tuesday (December 5).

Pamela Truesdale, the Executive Director of the Coalition for Buzzards Bay (CBB), submitted correspondence regarding a grant from the Department of Environmental Management (DEM) to improve and enhance the public's access to coastal areas. As such, the CBB would like to design and place educational panels (signs) at selected public access locations around Buzzards Bay — a possible location in Mattapoisett would be Ned's Point, which is already a popular public access point to the Bay.

But the board said they would like to meet with Ms. Truesdale to discuss this further, as they were concerned about placing large signs at Ned's Point advertising public access to unsupervised waters. "I think we should ask her to come in and explain what they want," Selectman DeCosta said. The board agreed to meet with Ms. Truesdale during their meeting next week.

Under the Executive Secretary's Report, Ms. Adams noted that an opening is available on the Old Rochester Regional Advisory Committee due to the recent resignation of Elaine Sylvia. Ms. Adams said any interested resident should contact her at Town Hall, 16 Main Street, Mattapoisett, MA 02739, or call 758-4100. Applications will be accepted through Thursday, December 7 at 3:00 pm. The appointment will then be made by the Board of Selectmen and Mattapoisett School Committee.

Ms. Adams also advised residents that the Shellfish

Lastly, Ms. Adams received notification from Town Accountant Joseph Bolton that the Massachusetts Department of Revenue has certified Mattapoisett's Free Cash figure at $515,443 as of July 1, 1995.

At 7:30 pm, Chairman Lambalot opened an advertised hearing for a conduit location on North Street upon a request from Com/Electric. The conduit is to be located on North Street, opposite North Woods Lane. However, Ms. Adams informed the board that the work had already been done at the location and no

one from Com/Electric was to be present at the hearing.

Patricia Aleks, a resident of North Street, was present to voice her concern over the fact that the installation had already begun prior to the scheduled hearing. "We were concerned about what is going to be put there," she said. "We wanted to know where the (box) would be located. But, if I did have an objection — which I don't know if I do or not — what's the point? The work has already been done."

Selectman Mahoney noted that this wasn't the usual practice for Com/Electric, and he agreed that no work should have been done until the board had approved their request. "This is certainly not the standard procedure," he said. "But under the circumstances, I think we should move to continue the hearing until next Tuesday (December 5) at 7:30 pm ... and ask that a representative from Com/Electric be present."

The board unanimously voted to continue the hearing to next week and stressed that no further work should be done at that location pending the outcome of the hearing.

There being no further matters to come before the board, they unanimously voted to adjourn for the evening at 7:40 pm.

Secretary Helene Craver, and Executive Secretary Ray Pickles. After the signing of the treasury warrant, the Board reviewed correspondence received from Virginia Barry regarding the First Annual Marion Christmas Stroll to be held on Friday, December 5 from 4:0 pm to 8:00 pm. On behalf of the local merchants currently organizing the stroll, she requested that the Board allow that portion of Front Street between Main and Cottage Streets to be closed off the automobile traffic between 3:30 pm and 9:00 pm. This would be the main outdoor area for people to gather for activities such as caroling and possible outdoor entertainment. Their second request was to use the Music Hall to set up individual business stalls and the stage for entertainment. "There are several merchants whose businesses are located beyond the "stroll area" who would like to participate. The Music Hall is an ideal place for them to set up business booths for this short time," Ms. Barry wrote in a letter to Selectmen. Selectmen had a few concerns about where to block of the streets. They will ask the Police Chief his opinion on the matter. "We will grant permission provided the changes we discusses are addressed," said Selectman Schaefer. Selectman Schaefer also suggested calling Ms. Barry to inform her they need a policemen there to patrol the area. "It's a great idea," said Chairman Winters about the Christmas Stroll.

A letter was also received from Bernard McCourt, District Highway Director, regarding concern expressed over the change in the traffic signal operation and the possibility of accidents at the intersection of Routes 6 and 105. According to the

letter, signs with the message "Left Turn Yield on Green," will be installed at appropriate locations on the span wire as soon as possible to eliminate the newly experienced confusion. Next, a letter was received from Assistant Dog Officer Gilbert Leonardo regarding a dog attack on another dog that took place on Sunday, November 26. The letter stated, "On Sunday, Ms. Claire Tetreault of West Avenue and her sister were walking Ms. Tetreault's leashed dog down Point Road. When they were walking past Ms. Geraldo Rivera's residence...two Shar Pei dogs ran out and attacked her dog. One had the dog by the neck, while the other had the dog's tail. To try to get the dogs away, Ms. Tetreault kicked the dogs and screamed for help. Mr. Hod Kenney assisted her and finally got the dogs apart." He also stated it was his

understanding this isn't the first time his dogs have attacked other dogs. He recommended that when Mr. Rivera returns to Marion, his dogs be restrained either by leash or kennel. " I also have a letter from the Dog Officer (Sue King) that she supports the recommendation that whenever a dog attacks another dog or person, it should automatically be restrained," said Chairman Winters. Mr. Tetreault, who was present at the meeting, said she has found out the dogs have a history of attacking dogs at their previous residence on Piney Island. No reports were made at the time. Chairman Winters noted he had received a phone call confirming an incident that took place two years ago. "It's serious, there seems to be a pattern and a threat to other animals, people and children," he said. Selectman Schaefer made a motion that whenever an animal attacks another dog, animal or person as a policy, it should be automatically called to their attention for a restraining order. "People have a responsibility to let us know, they have to communicate with us," she added. It passed unanimously. A letter was also received from the BBAC (Buzzards Bay Action Committee) requesting payment of the $1,000 approved at the last town meeting for assisting the BBAC with its mission to preserve and protect Buzzards Bay by seeking grants on behalf of the town. Mr. Pickles noted the amount would be on next week's warrant. A letter was also received from the Department of Environmental Protection with regard to a waterways license application.

The Board will not meet on Tuesday, December 26th. The Town House will reopen on December 29th. There being no further business before the Board to discuss, the meeting was adjourned at 7:30 pm.

Rochester Selectmen's Meeting
November 27, 1995

A regular meeting of the Rochester Board of Selectmen was called to order on Monday, November 27 at 7:00 pm by Chairman Michael Murphy. Also present were Selectman David L. Hughes, Selectman Lorraine Roy Hawkes and Administrative Secretary Shirley A. Ferreira.

Selectmen reviewed incoming correspondence for the week before approving the minutes of the November 20 meeting. Notification from the Conservation Commission was received stating that Bernard J. Talty was appointed as an associate member. Selectmen also received an invitation to a presentation on creative land development to be held on Thursday, December 14 at 7:00 pm in the Town Hall Conference Room. The last piece of correspondence received was a letter from Mark Rasmussen of the Coalition of Buzzards Bay, notifying them of a meeting in January regarding the creation of a standard Conservation Restriction Program for the town.

At 7:05 the Board met with Rochester Police Chief Walter V. Denham to discuss the proposed budget for his department (excluding salaries). Selectman Hughes and Chairman Murphy asked him why there was a $1,200 increase under maintenance for the department. He explained that he needed to replace windows and the hot water heater, which currently only provides half the trailer with water. "The trailer needs maintenance," he explained. Selectman Hughes said he needed to get a better estimate of the repairs. "I'm not saying you can't have the money. Give us some ideas on

estimates, it'll be helpful. For now we'll put in $1,000," Selectman Hughes said. Selectmen increased the phone budget to $3,000 and also approved giving pagers to all of the full-time officers. The cost for each pager is about $12 a month including insurance. Selectmen also discussed a computer system which would internet the police, fire and dispatch service. Selectmen Hughes recommended putting $8,700 on the warrant for the next town meeting instead of as a line item in the police department's budget. Chief Denham explained that amount was what the Police Department would pay; the fire department and the communications department would have to pay their portion for their own software. "They've got to kick in money to make their system adaptable to this similar program," said Chief Denham. "I'd like to see this as an article," said Selectman Hughes. Selectman Hawkes said the Police Chief, the Fire Chief and the Chief Dispatcher should meet to come

up with a total amount and put it in the form of an article. Chief Denham said he had no problem getting together with the other departments to put together an article as long as he had "100 percent support from the Board." "We went for this a few years ago, I wasn't supported," he stated. Selectman Hughes said at the time, "we weren't ready for it."

In other business, Selectman Hawkes made a motion that "nobody be allowed to hunt on town property." She also stated it should be posted on Dexter's Lane. The Board then met with Mr. Jeffrey Eldridge, Highway Surveyor, to discuss information on snow removal insurance. Selectman voted not to pay the $1,700 this year for the insurance. The town could make money if over 50 inches of snow fell. Mr. Eldridge said if the insurance was available two years ago, the town would have made $40,000 because of the amount of snow that fell. Last year, they would have lost out. "It's a gamble, like playing scratch tickets, " Chairman Murphy said. "Let it ride, we'll take our chances (without the insurance), " said Selectman Hughes. Under new business, Selectmen said they would invite the mother of Eagle Scout Kenny Cutler, to accept a certificate on his behalf, since they weren't able to attend Eagle Scout Award Night. They said unfortunately, they never received notification of the Award's night. There being no further business before the board,

Acushnet Selectmen's Meeting

November 27, 1995

By Kenneth J. Souza

A regular meeting of the Acushnet Board of Selectmen was called to order at 6:02 pm on Monday, November 27 by Chairman Peter W. Koczera. Also present were Selectman Everett L. Hardy, Selectman Robert J. St. Jean and Executive Secretary Elaine G. Miranda.

Before going over incoming correspondence, the board noted the following meetings slated for the week:

• Tuesday, November 28 at 8:30 am — Meeting with Titelist Company regarding Slocum Street Bridge and other matters.

• Wednesday, November 29 at 8:00 am — Meeting with Planning Committee regarding town zoning. Chairman Koczera noted: "Acushnet is one

of only three towns in (the Commonwealth) that doesn't have zoning (by-laws) in place. Right now, everything goes through the Board of Appeals."

• Thursday, November 30 at 6:30 pm — Meeting with School Committee at the school library regarding future building needs.

The board also advised interested residents that they are seeking home owners and concerned citizens to join the Tax Shift Study Committee. Those interested should contact Executive Secretary Elaine Miranda, c/o Acushnet Town Hall, 122 Main Street, Acushnet, MA 02743, or call 998-0200.

Ms. Miranda noted that she looked into the permitted rights of NAPA Auto Parts and Tires 'R' Us as per discussion last week over Mr. Braley's noise complaint. According to the permit, the business is not allowed to operate beyond 11:00 pm — and Mr. Braley noted hearing trucks running all hours of the morning.

Selectman Hardy asked that this matter be held over until next week so that he could talk to the owners and ascertain what is being operated at late hours. The board agreed to do so.

Under incoming correspondence, the board received a notice from the Acushnet Firefighters announcing that the annual holiday sing-along will take place on December 10 at 6:30 pm. Chairman Koczera noted that as this is a Sunday night, none of the board members could attend. He asked Ms. Miranda to contact the firefighters to see if the event could be rescheduled to the prior evening.

Police Chief Michael Poitras sent a reminder to the board that Sgt. Stephen McCann has requested action be taken regarding a requested hearing. As the hearing must be scheduled and posted, Chief Poitras agreed to draft a notice and have it reviewed by Town Counsel prior to being sent. The board agreed to take up this matter with Chief Poitras later that evening.

Town Clerk/Treasurer/Collector Lillian B. Garbaciak sent notice to the board that the state Collectors and Treasurers Association is seeking local support against Governor William Weld's proposal to do away with two-year motor vehicle registrations and make them valid for the life of the vehicle. According to the notice, this action would make it very difficult to collect delinquent taxes from state residents.

The board, however, seemed to be of the mind that Governor Weld's idea had merit. "I think it's a good idea, personally," Selectman Hardy said. "I'm sure there are other ways of collecting delinquent taxes." The board unanimously moved to file the notice without further action.

Resident Brenda Raposa next submitted a letter of interest in serving on the Safety Committee. The board unanimously voted to appoint Ms. Raposa to said position.

Robert Medeiros, Chairman of the Board of Health, next submitted a request to seek the advice of Town Counsel regarding pending litigation over a dust problem at TILCON Massachusetts, Inc. According to Mr. Medeiros, Attorney Walter Faria is representing Carl Andrade in this matter.

Selectman Hardy wanted to know why the town was getting involved in this situation. "This

appears to be a civil matter," he said. "Why are we getting involved?" The board agreed to have Selectman St. Jean look into this matter further and — if there is an immediate need for legal counsel — granted permission for the Board of Health to do so.

At 6:30 pm the board opened a formal hearing with Police Chief Michael Poitras and Officer Louann Jenkinson regarding a two-day suspension against her. Also present were several officers from the department and Manuel Amaral, the police union representative.

Last week the board received notification from Police Chief Poitras that Officer Jenkinson has been suspended from duty for two days — effective

December 4 and 5, 1995 — for displaying "conduct unbecoming an officer" on two separate occasions (October 6 and 22, 1995, respectively). Chief Poitras cited that Officer Jenkinson had made "malicious reports" against another officer on October 6 and had "intimidated other officers" on October 22.

Mr. Amaral opened the hearing by asking that all witnesses who were slated to give testimony be sequestered from the proceedings. Chief Poitras had no objections, at which time several officers were asked to leave. Only Michael Alves remained as neither Chief Poitras nor Mr. Amaral were to call him as a witness.

Mr. Amaral then asked that the hearing be postponed that evening and continued on Monday, December 4 as Officer Jenkinson's attorney could not be present this evening. "Her attorney had a prior commitment and we'd like this hearing and the disciplinary action postponed to a later date pending the outcome of this hearing," Mr. Amaral said.

But Chief Poitras stressed that this was a common ploy used by attorneys to their advantage. "Postponement is a common tactic ... because it works on those officers who are here to testify," he said. "Officer Jenkinson has a right to a hearing, she requested a hearing, she agreed to this date and

CAPITAL GAINS TAX

QUESTION: What effect does the current Tax Reform Act have on capital gains tax when I sell my home ?

ANSWER: One of the biggest changes introduced by the latest Tax Reform Act was the elimination of the tax-favored treatment of net long-term capital gains. Prior to the latest tax law, tax was required to be paid on only 40% of the capital gain. Today, alas, no matter how long you own the property, when you sell it, the capital gains profit is treated just like ordinary income. However, this will not exceed 28%.

On the brighter side, homesellers can continue to avoid current tax on a sale if they spend the proceeds on another primary home with in two years before or after the sale. Also, if the homeseller is over age 55, there is still the one-time tax exclusion on the first $125, 000 of the sale profit whether or not he replaces the home.

Call BRUCE today with any of your Real Estate questions or needs, we're here to help!! 758-6738.

time. It's unfair to the town and it's unfair to the officers present. There's no excuse for requesting a postponement at this time."

Mr. Amaral argued that some of the documentation was submitted to them just recently and they were unable to review everything prior to the hearing.

"(Officer Jenkinson) was given the opportunity to have legal counsel present," Chief Poitras said. "Whether or not her attorney is present is not the town's problem ... and I would stress that the town is not being represented by counsel this evening."

Selectman St. Jean sided with Chief Poitras. "This last-minute request for a continuance is unacceptable," he said. "If we were given adequate notice, I'd be more inclined to allow it."

With that the board unanimously voted to deny Mr. Amaral's request for a continuance and agreed to proceed with the hearing that evening. Mr. Amaral then requested that the hearing be held in Executive Session, which was granted by the board. The board adjourned into Executive Session at 7:10 pm.

The board resumed in Open Session at 8:10 pm. The preceding hearing had been continued to Wednesday, November 29 at 6:30 pm, at which time a decision would be rendered on the two suspensions against Officer Jenkinson.

Roland Pepin met with the Selectmen to discuss the possibility of putting the contaminated PCB's from New Bedford Harbor into Confined Disposal Facilities (CDF's) along the banks of the Acushnet River. "I don't want to see the CDF's — no

one does," Mr. Pepin said. "But that's our only viable option right now. I feel the only thing we can do is agree to the temporary CDF's ... then as technology advances we can look for alternate ways of disposal."

The board agreed with Mr. Pepin's recommendation, and unanimously voted to allow temporary CDF's along the New Bedford side of the river. "This is not an endorsement (for CDF's)," Chairman Koczera said. "We're only allowing them as a temporary measure."

At 8:25 pm the board met with the Capital Expenditure Committee and William P. Contois, Director of the Acushnet Council on Aging, to

discuss the possibility of the town purchasing the former "Hangers" building for use by the COA. The building has been assessed at $232,967 and the selling price is $240,000 with Liquor License. The COA has recommended submitting a bid of $161,000 for the building.

After inspecting the building on November 16 with the Building Inspector and Fire Chief, the committee found that the cost of bringing the building up to code — including making it handicap-accessible — would be cost-prohibitive. The committee formally recommended that the town not purchase the building even at a reduced price.

Mr. Contois noted that there is a serious need for a new COA facility in Acushnet. With an estimated 1,527 residents aged 65 and over in Acushnet, the law recommends that a facility be at least three square feet per person, or a total of 4,581 square feet. The COA has been providing services to an estimated 1,045 seniors each week — many of whom are being turned away from the weekly lunch and holiday meal sittings.

As such, they are hoping to build a new 6,000 square foot facility. Mr. Contois noted he had been assured that the town would be eligible for a grant in 1996 and requested permission from the board to set up a site selection committee for this purpose.

"I think it's obvious that 'The Hangars' is not

sufficient for (the COA's) needs," Chairman Koczera said. "We need to make a determination with the Capital Needs Committee and the Council on Aging ... and then proceed with the grant application process."

The board asked the Capital Expenditure Committee and Council on Aging to work together to determine what costs would be involved and to select possible locations for the facility.

At 8:40 pm the board resumed in Executive Session to continue the appeal hearing regarding Officer Louann Jenkinson and would return to Open Session only to adjourn for the evening.

Adoptable Animals

Our feature adult cat this week is "Little Orphan Annie." She is definitely an orphan found in Acushnet bleeding from an abcess found on her throat and has one ear hanging forward from an ear infection. Rescued from the shelter, where she was destined for euthanasia, she is now just sitting and hoping someone will let her crawl up on a sunny windowsill in their quiet adult home. Annie is an older cat. She is an all orange tiger with short hair. An added note-she was sent to the hospital for surgery a second time not knowing she had already

been spayed. Please call if you can give her a second chance. She would be best placed in a single cat household. Our one-eyed all black male with double paws is still available and very anxious to be cage free, along with the short-hair all black female and one calico.

In addition to our "special" cats, we also have a beautiful short-hair calico with double paws about 1-year-old. She was abandoned by her owners when they moved. There is also another calico who needs a one cat household. Please call Karen at 984-4398 if interested in an 8-month old short-hair tiger cat who has been spayed, declawed and vaccinated. This week we also have several older kittens ranging in age from 4-6 months. They have all been in foster homes since they were tiny and are well-adjusted. They include three calicos, one tiger, two tortoiseshells, one orange tiger, which are all females. There is also one gray and white male and a white male tiger who are real love bugs. There's also a 6-month smoke gray male with green eyes and a one-year-old tortoiseshell; they are both sterilized and vaccinated. There's an all gray persian female with papers and two Siamese-call Diane at 994-3647 if interested. We have an infinite list of kittens still available-they include all colors, male and female, long or short-hair fur ranging in age from 8-weeks to 4-months. Still waiting to be adopted from the shelter in Fairhaven is the 7-year-old Shepherd mix whose owner died a few months ago. He is a real nice dog but very sad and lonely. There is also a yellow lab mix puppy about 6-months-old and a Benji type pooch. Call Kristen at 979-4028. To the gal in Rochester who called looking

for a silver gray male with double paws; we have one now, neutered and vaccinated-please call us! There are free 8-week old puppies available. There is one female and one male Springer/Spaniel/Lab mix. Please call 763-3425 if you wish to adopt them.

In the lost and found department, there have been two adult cats found at the Rochester Town Hall. One is all white with dark spots in its head, long hair and very friendly. The second cat is a black and white long hair cat who is declawed and extremely friendly. A sweet, young calico has also been found near Bishop Stang High School. Please call 758-3279 if you wish to adopt her. The orange and white male from Park Street has returned home.

Pony Express

The Pony Express of the Mattapoisett Congregational Church has completed its routes and the drive is officially at an end. All saddle bags containing estimate-of-giving cards were collected on Tuesday, November 28. Families with whom the trail bosses were unable to connect will be contacted by mail. The Finance Committee has been busy compiling the information and estimating the income. On Sunday, December 3, that committee will report the results to the congregation. There will also be a Service of Recognition for all who participated in the Pony Express Stewardship Drive.

residents to attend the Holiday Luncheon on December 6 at noon at Harriet's Restaurant in Marion, of the Marion, Mattapoisett, Rochester League of Women Voters which will feature a special presentation by Cambridge actress Jessa Piaia. As well as the holidays, the League is celebrating the 75th Anniversary of the 19th Amendment to the Constitution which granted women the right to vote so, for entertainment, Jessa Piaia will portray Susan B. Anthony, who devoted her life to women's right to vote. Jessa Piaia has been playing Susan B. Anthony since 1992 and finds her a fascinating role because of the causes Anthony embraced with such passion. Ms. Piaia divided her time between the oral history department of Radcliffe's Schlesinger Library and her portrayals of historical women. Her library work really launched her presentation ideas. As she says, "the process of really delving in and finding facts and then bringing them to life is exciting." Luncheon will be at noon at Harriet's on Cottage Street. There will be a charge of $12.50 payable at the door. Space is limited so please call for reservations: Connie Walen at 748-1504 or Alice Piehler at 748-2276.

Youth Fellowship

The Youth Fellowship of the Mattapoisett Congregational Church would like to thank the neighbors in the village who generously supported our efforts last Sunday to collect food for nearby pantries who are in desperate need of restocking their shelves. Thank you for opening your hearts and hands to support our efforts.

Throughout high school Sarah has been actively involved in school activities, especially student government. She has served on the Student Advisory Committee, and is serving a two-year term on the School Council. In addition, Ms. Chase has been a member of the tennis team for four years, a member of the National Honor Society, and a member of A.F.S. This year she is senior class president. Next fall she plans to attend college.

Center School

Needy Children's Fund

This year, we will be continuing the holiday tradition begun 6 years ago at Center School. In lieu of presents to the staff and classroom grabs, we will be collecting money for those less fortunate than ourselves. We believe this to be more in line with the true meaning of the holiday, that it is better to give than to receive. This is a "free will" offering and you and your child are under no obligation to contribute to this collection. We do, however, ask that you honor our request of not sending in presents to

members of our staff. Our "Needy Children's Fund" drive will take place from November 27-December 21. A separate letter regarding the fund will be sent home after Thanksgiving. In each of the past 6 years, we have collected an average of slightly over $1,000. The money has been donated in the past to the Kennedy-Donovan Center, to purchase needed equipment for the handicapped students there; to the Mattapoisett Firefighters Women's Auxiliary Needy Fund, to assist needs of residents of Mattapoisett; to the family of a former student who was seriously hurt in an accident; to purchase clothing gift certificates for needy families in our community; and to the family of Lindsey Steele to assist her bone marrow transplant surgery.

Holiday Programs

The Center School third grade chorus, under the direction of music teacher, Mrs. Jean West, has begun preparation for a number of upcoming holiday concerts during the month of December. The entire third grade works for one hour a week on their choral music, learning correct singing and performance techniques. The Third Grade Chorus enjoys sharing their music, the result of their hard work, with their friends of Mattapoisett. On December 6, they will perform their holiday production for the Women's Guild of the

All Center School students will be involved in our holiday production entitled, "December in Our Town." Mrs. West does a tremendous job with the Chorus and is to be commended for the time and effort she puts into her work with the Chorus and the music program at Center School.

On Tuesday, December 19 at 1:30 pm, Scot Cannon will be coming to the Center School to perform his program, "The Gift Inside." Through mime, music, sound effects, dialogue and unique interaction with his audiences, Scot brings a meaningful program that speaks to students' minds and hearts about the importance of giving one's own time and of themselves. All morning Kindergarten students are welcome to attend this performance with a parent. There is an audience limit to this

Friends of the Elderly In Mattapoisett

Hope everyone had a nice Thanksgiving and didn't get too stuffed on turkey. Now that it's over our thoughts can turn to Christmas shopping. Just a reminder that the "Friends" have a few suncatcher ornaments still available. They can be purchased at Periwinkles, Opulent Owl, and Bittersweet, which is on Mattapoisett Neck Road; or by calling Rosalie at 758-2887. Also, we are selling the "Dinner For Two" book which is a book of coupons for area restaurants offering a free dinner or lunch with the purchase of a dinner or lunch. This is an inexpensive way to eat out and sample different restaurants. The book is only $29.95 and the first three coupons used will more than cover the cost. A good gift idea for that someone on your list who has everything. If interested, call Lorraine at 758-9780. All money collected from our fundraisers goes to benefit Mattapoisett seniors.

directory which annually profiles outstanding student learners. Ms. Gaspar, a senior English major with a minor in Women's Studies at Providence College, is one of 18 students nominated by a campus committee and approved by the directory's editors for inclusion in the 1996 edition. Selection of students is based on academic achievement, community service, leadership in extracurricular activities, and potential for continued success. Ms. Gaspar has been involved with the Board of Programmers for three years. The Board is responsible for planning school events for the students. Leigh has served on the travel and programming committees, and is currently the president of the Board. She was also editor of the ALMBIC, Providence College's literary magazine, her freshman year.

The students selected for the 1996 "Who's Who" Edition join an elite group of students selected from more than 1,800 institutions of higher learning in all 50 states, the District of Columbia, and several foreign nations. Outstanding students have been honored in the annual directory since it was first published in 1934.

St. Anthony's Christmas Fair

On Saturday, December 2, 1995 The Christmas Fair will be held in St. Anthony's Parish Hall on Barstow Street in Mattapoisett. The fair will be from 9:00 am to 1:00 pm. There will be malasadas and coffee for your morning break and lunch will be Venus de Milo soup or hot dogs. The fair will feature a next to new table, baked goods, Chinese auction, a boutique table, knit goods, plus St. Anthony's Christmas Ornament. There will be a raffle for a $500 bond, an oil painting of the Arch Bridge/ Mattapoisett River by George Avila, a BMX bicycle "96" Diamond Back Assault-EX, a hand painted angel from the Seraphim Classic Limited Edition. Santa will be there and we hope to see you there.

Tri-County Symphonic Band

The Tri-County Symphonic Band will present its Christmas Concert at 3:00 pm on December 17 at UMass, Dartmouth. This program sounds like a wonderful way to start the Christmas Season. The program will be a real potpourri in age of compositions from 17th Century writing to one selection copyrighted as recently as 1987 (not necessarily in that order). Music forms will also be varied from marches, a waltz, one selection from an opera, to a more familiar symphony movement,

which is being repeated because of audience requests. The program will open with "Christmas March," by E.F. Goldman, a collection made into marches. A change of tone will follow with "Break Forth, Oh Beauteous Night," by William Latham. The selection requested by concert patrons is the "Second Movement of Mendelssohn's Symphony Number Five," "Schneewalcer (Waltz)" by Roschart and "Christmas Tattoo" from Puccini's opera La Boheme will give a real change of pace. "Jubilate Deo" by Hans Hesseler is the 17th Century offering. "Ahlord's The Bells" comes next and a number "Parade of the Wooden Soldiers," by Leon Jessel

Old Hammondtown Chorus

The Old Hammondtown School Show Chorus will be performing "Rockin' Around the Christmas Tree," "You're A Mean One Mr. Grinch," "Rudolph The Red Nosed Reindeer," "We Wish You A Merry Christmas," "Surfin' Santa," and "Cool Yule," under the direction of Ms. Paula Roy on December 6 at 6:30 pm in Shipyard Park. A Holiday Show will be held at the Old Hammondtown School on December 18 at 7:00 pm and December 19 at 9:00 am. A special thanks goes out to Mr. VanVoris for making it possible for us to use the risers from Tabor Academy. Thanks also to Mrs. Lynda Duggan, Mrs. Nancy Gavin, Mr. Bernie Gauvin, Mr. Kevin Soares, Mr. Stan Ellis, Mrs. Joyce Grace and Mrs. Debra Martin. They all made the production possible. Many, many thanks to the parents and the administration for their constant support of the OHS music department.

Christmas Around Handy's Tavern

The 9th Christmas around Handy's Tavern, sponsored by the Sippican Woman's Club of Marion, will take place on Saturday, December 9 from 10:00 am to 4:00 pm. The house tour and special exhibits is the club's largest scholarship fund raiser of the year. The tour begins at Handy's Tavern, 152 Front Street, Marion. Tickets and tour maps can be obtained at this location. Wassail will be served in the Tap Room. Handy's Tavern was built around 1812 to serve as a meeting place for the sailors and seamden in the busy Port of Sippican. Travelers came from Boston and Rhode Island by stage coach stopping to be refreshed before continuing their journey. The Sippican Woman's Club strives to respect the

Community Resource Network

Citing the number of citizens assisted by the all-volunteer service organization, Wareham Shawmut Bank branch manager Anna Thompson presented a $5,000 check to Community Resources Network officers at the group's recent monthly meeting. The grant was made under Shawmut Bank's Corporate Charitable Contributions Program, established to strengthen and support community-based, non-profit organizations across Massachusetts in areas in which the bank serves. A prime interest of the Shawmut program is in helping to meet the needs of low-to-moderate income communities.
